Are you are already
using MPmail?

SIGN UP FOR **MParchive** AND RECEIVE:

- **FREE basic web filtering** – save \$6/user/month
- FREE set up – save \$360
- MParchive for only \$8/user/month

MParchive

- ✓ Every email is stored, searchable, accessible & secure forever
- ✓ Unlimited storage of emails
- ✓ All data is searchable at all times. No data is moved offline
- ✓ Individual users can access their own archive. Local emails can be deleted reducing mailbox size
- ✓ True business grade compliance solution
- ✓ Focus on your core business and not be distracted with infrastructure hassles

MPmail with Message Continuity

- ✓ Continue accessing, reading and even responding to emails during outages
- ✓ Block spam, viruses and other malicious emails before they reach your network
- ✓ Protect your reputation by preventing inappropriate or unauthorised messages from leaving your organisation
- ✓ Reduce load on your email servers and existing security systems
- ✓ Easy web-based management portal lets you configure content filtering policies and monitor activity
